

Requirements for the Certificate in Corporate and Business Law

Requirements:

- **Business Organizations**
- **Three core courses**
- **Three elective courses**
- **One skills and experiential learning component:**
 - Externship/Field Placement (field placements must be approved by the supervising faculty member and Program Chair)
 - A Certificate course that is approved by the Law School for skills credit or
 - A Certificate clinic

All required core courses may count as electives if an applicant has a sufficient number of other core courses. **NO COURSE CAN BE COUNTED MORE THAN ONCE.**

Courses may not count towards the certificate if they are taken as pass/fail.

A student must have an average GPA of 3.0 or above in all core and elective courses for the Certificate.

Waiver Policy:

Applicants may apply for a waiver of one of the requirements via email (rlaw.cclg@law.rutgers.edu). Waivers of core courses are rarely granted. For electives, waivers may be granted if an applicant has taken a substitute course that is related to business and corporate law.
